MESSAGE FROM THE MANAGER

On October 19, 2023, HPC Credit Union will join over 56,000 credit unions around the world to celebrate International Credit Union (ICU) Day®. This year marks the 75th anniversary of International Credit Union Day®. ICU Day highlights the many ways that credit unions across the world help members work towards achieving their financial goals. HPC Credit Union will be celebrating this year with HPC logo items and treats at each of our 4 locations.

I would like to thank our staff for continuing to be involved in the communities we serve and work hard to ensure our members financial success. I would also like to thank our volunteer board of directors who represent all of our interests to ensure the continued success of the credit union.
