THANK YOU TO OUR VOLUNTEERS!

We would like to extend special appreciation to our credit union’s volunteers. Members of our board of directors and our committees donate their time and talents to represent the interests of all our member-owners and to ensure the continued success of the credit union. Their dedication to service is one of the things that sets your credit union apart from other financial institutions.

To all of our volunteers we say, Thank you!

MESSAGE FROM THE MANAGER

Why do hundreds of millions of people worldwide choose credit unions? Because credit unions have a “people-first” philosophy that impels them to constantly improve their communities and the lives of their members. That local service feeds a worldwide network that reaches more than 403 million members across the globe.

On Thursday, October 17, 2024, join credit union and financial cooperative members around the globe in celebrating 76 years of International Credit Union Day®.

Visit us at all our locations October 17, 2024, for treats, refreshments and more!
